ARTEXPERIENCE 2009

POESIA CHIAMA MUSICA

IL SUONO DELLE PAROLE

MILAN 9-13 JANUARY 2009

Melodrama, Intermezzo inspired to Poems, Audiovideohistory,
Chamber Music Theatre.

The 2009 Artexperience edition addresses poets, writers and
music and art lovers who wish to deepen their knowledge in
the relation between poetry and music.

During the five days, the participants will have the chance to experience an investigation on the relation
between the two forms of art: the first three days (January 9th, 10th, 11th 2009) will be dedicated
to a series of meetings with musicians, composers and poets, while the last two days (January 12th,
13th 2009) will foresee two concerts at Spazio Oberdan Provincia di Milano.

The first concert will see a selected number of participants of the seminar as protagonists, while the
second will leave space to the "professors" of the seminar.
